Jai Jinendra,

We have just completed First Quarter of 2011. During this period, we have made significant progress in construction of Franklin Township Project as noted by frequent communication by Our President - Himanshu Shah.

The Board of Trustees takes the opportunity to thank everyone who helped to make Chaa Gaav Ni Jatra, a very successful occasion. I would like to congratulate the event organizers for well planned and executed program. The time and efforts of our young volunteers and Executive Committee members helped in transforming the Jatra into a long lasting relationship with Siddhachalam. I would like to extend my special thanks to the President Mr. Jaipat Jain of Siddhachalam and his staff members for extending warm welcome and lending a hand in smooth running of the Puja and Swamivatsalya.

We are planning to complete the design and most of the construction of Phase-2 (Community Hall & Caretaker House) by early 2012. For this work, we need money from the Sadharan fund only. In last decade, due to shortage of funds for Sadharan expenses, we borrowed sizeable amount of Dev Dravya fund for use in Sadharan for JCNJ activities so that our work activities was not interrupted. We must return the borrowed money with interest back to Dev Dravya, otherwise we accumulate bad karma (Pap karma) due to bhakshana of Dev Dravya. Besides we need to have substantial amount in Sadharan fund in order to complete the construction of Community Hall.

On that note, we have created a scheme to enhance Sadharan Fund amount. Beginning April 22nd, 2011, all donors are requested to add additional 5% of the final boli, pledged amount or fixed nakro for Sadharan fund use. For example, if the final Aadesh of Ghee-boli, or Pledge or Fixed Nakro amount is \$1000, then Donor will donate \$1050. So, this way additional \$50 (5%) will be allocated to Sadharan fund. An exception to this scheme has been made on Fixed Nakro on 5 Bhagwan in Ghabhara, Daan Patra, Bhojan Shala Scheme and daily Puja Anusthan (Aarti, Mangal Divo, Shanti Kalash etc.) We need your support and cooperation for the successful completion of the project. We hope you understand this situation.

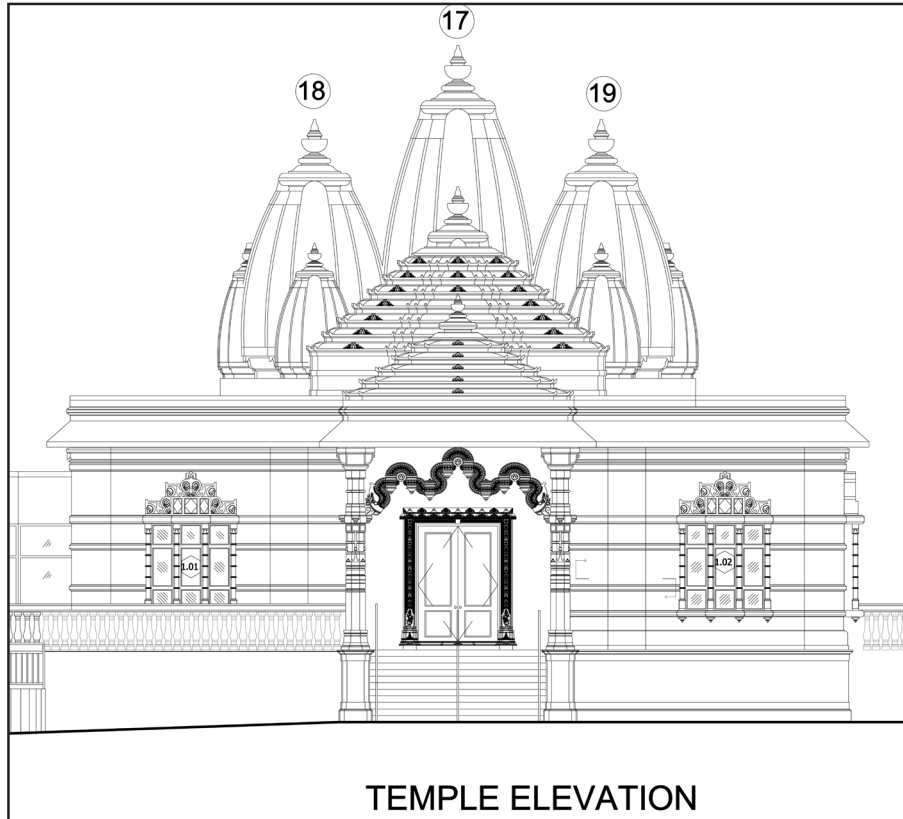

We had published the details on Fixed Nakro Scheme and possible Prathistha Boli in the previous Sangh Patrika which was mailed in March, 2011. Thereafter, we received several comments and suggestions from our Sangh Members to provide more clarity and details on Labh given towards each Boli and Nakra. The Board of Trustees, in a special meeting, worked out details on each Boli & Nakra. We are pleased to submit the revised scheme with details on various Laabh, and placements of name plates.

I request you to disregard the earlier schemes on Fixed Nakra and Boli, and kindly review and pledge towards the revised schemes attached herewith. In the upcoming Mahavir Janma Kalyanak Program beginning April 22nd, 2011, we would like to start the ball rolling on the various Bolis and Nakra under our fund raising coordinator Narendrabhai Nandu and his team. As said earlier, we believe in you and your strength in making the dream of building a world class Jain Temple facility at Franklin Township a reality. On behalf of the Board of Trustees, I apologize for any misunderstanding from the earlier scheme on Nakra and Boli published in previous Sangh Patrika. Please accept my sincere Michhami Dukaddam.

I am deeply distressed to inform you on passing away of our beloved Trustee and a great friend Kiritbhai Shah. This is a great loss to our Sangh. He was a great campaigner of the FT Project, had served the Jain Center of New Jersey for about last 15 years and was always ready to take any responsibility on his broad shoulder. On behalf of JCNJ, I forward my deepest condolences to his family. We shall miss his presence in all occasions. May his soul rest in a peace.

Thank you for your continued support & cooperation.

Regards,
Ashok Shah Co- Chairman (FT Project)

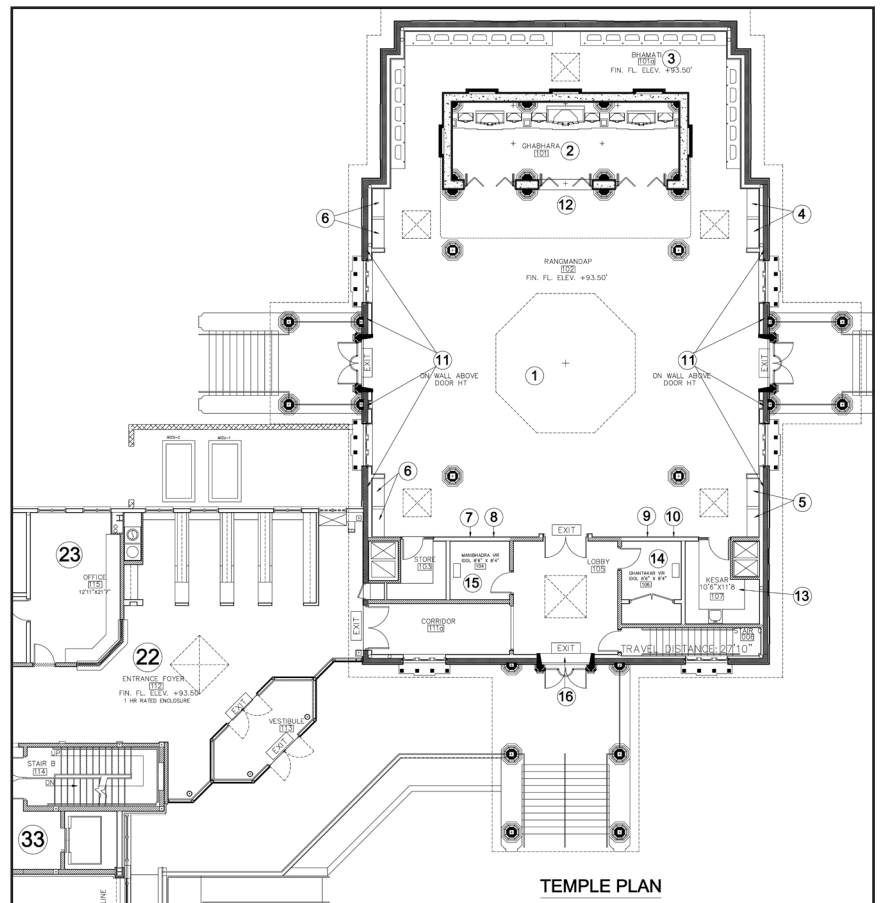

TEMPLE ELEVATION

17 Main Shikhar & Dhwaja Ropan

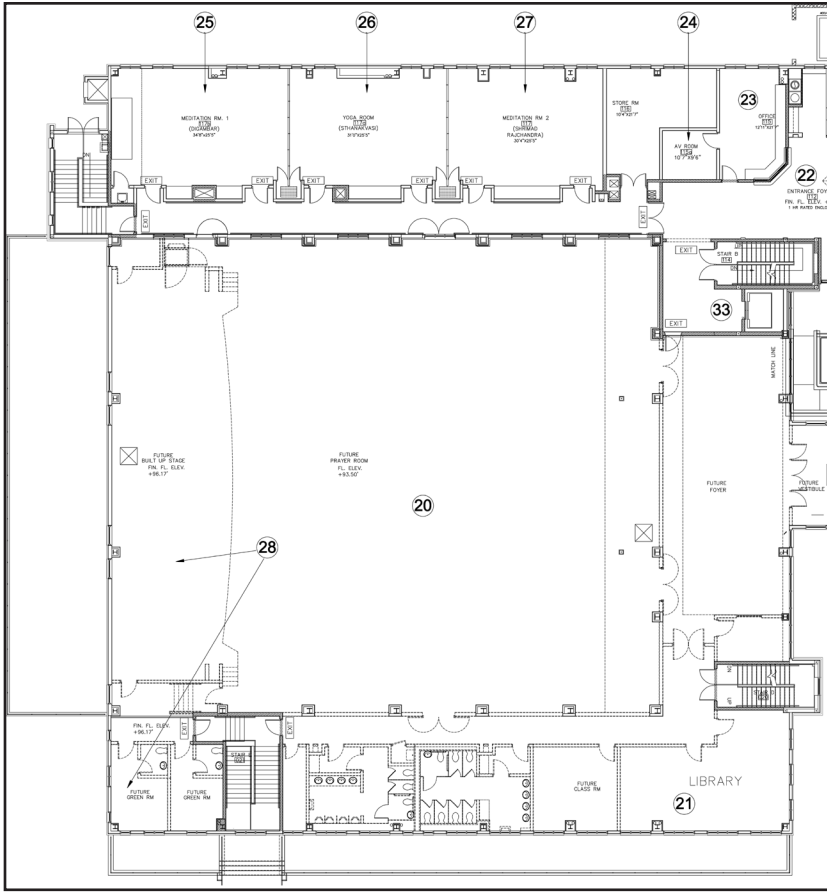

18 Left Side Shikhar & Dhwaja Ropan

19 Right Side Shikhar & Dhwaja Ropan
