PRESIDENT'S MESSAGE

Jai Jinendra,

The first half of 2011 at JCNJ has been filled with Bhaav, Ulhaas and Umang. The Center is progressing well with the support and involvement of Sangh Members of all ages. In the words of Henry Ford, "Coming together is a beginning. Keeping together is progress. Working together is success."

This year's Mahavir Janma Kalayanak was once again a grand celebration. The Pathshala kids worked very hard to give their best performances. My special thanks to the Pathshala kids, teachers and parents for their tireless efforts. In July we celebrated the Anniversary of Caldwell Deraser and Shantinath Deraser. Sangh members joyfully participated in Adhaar Abhishek at both the Derasers and made the event truly memorable.

From a financial perspective, we made significant progress in the past four months. Our Ghee Boli and Nakro schemes were welcomed with open hands by our Sangh Members. The commitments we received at the past two events include:

- ♦ \$1.2 Million commitment from Ghee Boli & Nakros
- ♦ \$625,000 commitment for the Sankool Daata sponsorship

We have also received pledges for \$231,000 for the Bhojanshala Scheme. Most importantly, with the support of over 120 Sangh families, we were able to manage both the events from Sarva Sadharan and Sadharmik Vatsalya donations. With your continued support, our goal is to manage all Paryushan costs in the same manner and help create sufficient Sarva Sadharan funds for future events.

On the religious front, Sangh members in large numbers are taking labh of Monthly Samuh Samayik, Tatvartha Sutra Sessions, Ayambil Oli, and Pravachan series by visiting scholars. During the month of August, we will hold our 125th Samuh Samayik. We thank you for taking laabh of these events and our efforts will continue to keep them going.

I thank you for the many compliments I have received for the recent events at JCNJ. Our ability to keep the Center running smoothly has been possible mainly due to the display of unity, enthusiasm, participation and support of our selfless volunteers. Working hand-to-hand with the EC & BOT, the Sangh volunteers have helped deliver the best services to our Sangh community. We all share a sense of being part of one large family.

With the solid foundation of financial commitment, religious activities and over-whelming voluntary support, we are embarking upon our final destination. With the blessings of our Tirthankar Bhagwaans, and guidance from our guru Acharya Shri Rajyashsuriji Maharaj Saheb, we begin our preparations for the Grand Pratishtha of FT Deraser – July 7, 2012. The formulation of the Grand Pratishtha program has already begun and we will soon communicate all the details to the Sangh.

I am sincerely thankful to the Sangh's support, active involvement and constructive feedback. The great bhaav and the positive vibrations we all continue to experience are visible signs of the support and confidence our community has placed on me and my team. Without your continued support, we would not have been able to get this far.

I wish everyone in the Sangh "Sukh Saata" in upcoming Paryushan Mahaparva. If I have hurt anyone in any way, with 'Man', 'Vachan' and 'Kaaya', I sincerely offer my "Michhammi Dukkadam"

In Seva,
Himanshu

As communicated in the past, we will draw names of TWO families from the List of 108 Fixed Nakro Sponsors for each of the Bhagwaan. In addition to the families taking Ghee Boli Labh for Pratishtha, these TWO families will also get labh of Pratishtha. We plan to pick the names of these TWO families during the New Year's Day Program.

We request all participants to send us your checks and give us all your correct details so that we can include them for the lucky draw.
